WHO IS THIS SERVICE FOR?

Mental Health Carers ARAFMI provides support to carers. Carers may be family, friends, neighbours, work colleagues or anybody who knows or cares for someone with a mental illness or mental disorder. You do not have to live in the same house, or be directly responsible for the care of the person with the illness to use this service.

HOW DO I ACCESS THE SERVICE?

Anyone can make a referral to our service. You can access the service directly. Alternatively another organisation may make a referral with your permission. Usually a phone call is all that is needed. You can also drop into our centre at Kincumber or Gosford to make an appointment or to talk to someone if a worker is available.

APPOINTMENTS

Appointments with Support Workers are normally one hour in length. If you have no way to attend our office we can arrange to meet with you in your home or at another location of your choice. A brief record is kept of all people using the service. This is an open record which you can view at any time.

WHAT CAN I EXPECT OF THE SERVICE?

- Confidentiality
- Trained professional workers
- A safe and comfortable environment
- Respect and non-judgmental attitude

We also need to know what has worked for you. When you finished with our service please tell us the things you have found particularly useful. This will help us continue to meet the needs of the carers in the future.

WHAT SHOULD THE SERVICE EXPECT FROM ME?

- Punctuality - if you have made a time to see a worker and cannot attend, please let us know so we can make another time.
- Respect for workers and other clients of the service.
